Intro:

Okay seat number 2 case 33 party by the name of avias  
seay please step into

Dr. shrines office for examining!

(Door close)

Dr shrine: hi avias how are you doing today now please  
tell me what's the

Matter today, why have you lost your noggin

Verse1:

Doctor this is more severe than the exorcist, couldnt  
even sit down for

Morning breakfast an

My flow is crazy like a ceelo, mixed with a side of remy  
Like the bride of chucky plus the matrix I don't think yall  
hear me

I'm the chosen one high tech on em they call me  
gateway

Once you enter my world of music you gotta stay  
I keep the tracks coming dropping like mc-donald filets  
Got so much money I can feed family parades

Chorus: (2x's)

Oh my gosh avias seay this is really crazy

Oh my gosh avias seay I don't think we can save you

Just hold on just be patient recording let it be

Security please come in and restrain case33

Verse2:

K doctor listen real quick cause I'm bout to explode  
These niggaz just bout shit, aint bout that life, I call em  
camodes

These m.c's funny like cartoons but I got masses  
insane

I'm about to take over the world, like pinky, and the  
brain

This the reason why show promoters a-fraid to book me  
Cause my flow is ugly, but golden, like whoopi

Getting cash for my drops and my freestyles is crazy

Swagger stay up, on my grind, rest of yall just so lazy

Wanna shock me with new ideas I suggest that yall tase  
me

Cause ordinary bars I eat yo these rookies don't faze

me

It's gonna take stronger dose to cure this mentally I'll  
Killing number one contenders, house on haunted hill  
I can battle any rapper yo in any weather  
A one hitter quitter niggaz call me floyd mayweather  
Gone and download my tracks it just don't get any  
better  
The mars alliance taking over cause we bout all  
cheddar

Chorus: (2x's)

Oh my gosh avias seay this is really crazy  
Oh my gosh avias seay I don't think we can save you  
Just hold on just be patient recording let it be  
Security please come in and restrain case33
