Verse1:

Okay you little fony rappers better watch the hell out  
Aint no boast and bragging arguments I take a new  
route

I reveal a new key... to open yall to what I'm about  
Grab my belt yall misbehaving I'm whooping it out

Yall rap so freaking slow it's 2011

Got my dogtag, skinny jeans, six plus one equal seven  
Bankaccounts that I withhold so I know yall gone fret  
then

I chew you up and spit you out all you rappers are dead  
ends

That's right I said it all you rappers are dead ends

Right I said it all you rappers are dead ends

Love to drop a new track watch yall face turn red then

I chew you up and spit you out all you rappers are dead  
ends

No matter where you go name in you head an

Stay so fly it's time you haterz learn yo freaking lesson

I got so many talents yo it's like a blessing

I chew you up and spit you out all you rappers are dead  
ends

Verse2:

Yall grab your pads... and you write what you about  
Aint no boasting bragging arguments I take a new  
route

I reveal a new key... to open yall to what I'm about  
Grab my belt yall misbehaving I'm whooping it out

Talking bout yall got signed... your producer names  
kevin

But we know a lie it was you that had said it

I'm the new evolution to rap I'm ahead then  
I chew you up and spit you out all you rappers are dead  
ends

That's right I said it all you rappers are dead ends  
Right I said it all you rappers are dead ends  
Love to drop a new track watch yall face turn red then  
I chew you up and spit you out all you rappers are dead  
ends

No matter where you go name in you head an  
Stay so fly it's time you haterz learn yo freaking lesson  
I got so many talents yo it's like a blessing  
I chew you up and spit you out all you rappers are dead  
ends
