Posted up in webster park yo nigga what's good  
Yall better get here, I been here longer than would  
I'm just here to hit the studio is that understood

Verse1:

These niggaz be wanting music that gone knock they  
socks off  
They know that I can get the job done cause I'm the big  
boss  
Sometimes I have to hold on tracks cause these niggaz  
would get lost  
Then I come down on they heads like a tree drops  
moss  
Music swanging through yo playgrounds got the kids  
quoting lyrics  
They mamas noddin heads yes if it's avias they can  
hear it  
I be flowing through the beats like an afro gets pic  
When I slide through passing tracks out for the little  
kids  
And I don't care how hard you rap when I come through  
it's a wrap  
Take that lame shit back yo town, home, trailer, condo,  
trap  
Said yo bestfriend didn't like it, other day he gave dap  
I'm scoring touchdowns in this game LIKE warren sapp  
You niggaz do not want to see me I go hard but look so  
geeky  
Leave yo motor mouth on the side broke down and  
squeaky  
And ya cannot mimic punch lines cause I make em so  
cheeky  
I can explain it I'm so creepy download me to your cd

Verse2:

Any rapper that yall listened to I put up to L's  
Cause they losers and my music cooler than water pails  
These niggaz thirsty for the autographs I send them in  
mail  
Got they attention like we in school and I just rung the  
bell  
Chuck taylors on my feet, and I stay with the glasses  
So that I can focus in on these niggaz that's acting  
asses  
Five star hotels syrup on pancakes yall move slow like  
molaisses  
I think yall need to book yallselves into hophop learner  
classes  
Now gone and tell yall little friends it's a new rapper in  
town  
Wrap my logo on natural ice so that I get around  
Uma spit it how I spit it for lakeland hold it down  
All you other rappers sit down cause ya looking like  
clowns  
Now if ya catch on the scene in the L throw me five  
Show me appreciation cause I kept hiphop alive  
Gone and hop on the band wagon enjoy the ride  
No more rainy days in polk county sunshine outside
