Now let me stop let yall niggaz know what time it is

Verse1:

Got these chuck taylors on my feet nigga I'm so fly
I'm higher than skyscrapers reaching the sky
Got my futuristic shoes cause it's a futuristic time
Yo you said you sporting nikes? not on these feet of mine
Got the authentic signature with the star symbol
Me and ronald mcdonald seems like we kinda resemble
Yep I went to mcdonalds and we kept in contact
Cause he said yo shoes so clean you gotta throw them on track
I said yes clown but where do you shop at
I like the chuck taylors hightop shoe laces fat
Give me red yellow blue orange no matter um happy
Long as I get chucks other shoes be so crappy
C. h. u. c. k. - t. a. y. l. niggas yall know the rest I aint even gotta spell
Stepping out on the scene looking fly tonight
My chuck taylors going out with me alright

Chorus:

I got my chucks on my feet yall um doing real fine
Oh you said yours cleaner? 14k gold on mines
Nigga don't be trying to hate nigga I know you aint blind
So you say you like my chucks thank you then that's fine
Red yellow green black matter of fact army fatigue
Got ed hardy graphics or symbolizing don't smoke weed
You can't get chucks mo flyer gone on let em shine
I want chucks you said reebox yo you wasting my time

Verse2:

Black purple orange green no matter color um fly
Cause I know exactly what outfit that's gone get me by
Haterz hating so hard they giving up yo and crying

When instead they can have the same only if trying
So you say you don't like chucks I don't care it's aight
You call em titanic boats nah I know my shoes tight
Got the dookey green color with the matching durag
Yall can't swag like da nemesis yo and it's really sad
Um fly and wit da swagger soaring reaching the clouds
Niggaz screaming I want chucks posted up in large
crowds
Got niggaz that been collecting nikes all of these years
Switching up they shoes game getting chucks in the
gear
But one thing I know fa show one thing about me
I'm the prince of the chucks among the land I rule you
see
Yall can grab some fly shoes but the chucks belong to
me
Shoe game so tight I know my haterz bound to flee

Chorus:

I got my chucks on my feet yall um doing real fine
Oh you said yours cleaner? 14k gold on mines
Nigga don't be trying to hate nigga I know you aint
blind
So you say you like my chucks thank you then that's
fine
Red yellow green black matter of fact army fatigue
Got ed hardy graphics or symbolizing don't smoke
weed
You can't get chuck no flyer gone on let em shine
I want chucks you said reebox yo you wasting my time

Verse3:

I got my fly chuck t's... got my fly taylor shoes
Yo girl all up on me... what the ___you gone do
Sue me for being fly or for wearing this shoe
Yall niggaz claim yall don't hate but well all this not true
It all started oneday I stepped up in the mall
Didn't have a lot of cash didn't come in to ball
Only had bout thirty dollars and I was looking fa shoes
Bout my first pair of chucks you see I snooze and yall
lose
Which shoe will you choose staining yall like a bruise
Number for my swag game and number two for my
shoes
High tops low tops no matter only if they chucks
All star one star long as a star on em "buck"
I got a whole collection they taking over my closet
Got every kinda color so yall know um all set
There's just so many styles and so many names
But only one shoes and it's chuck that win the fame

Oh you said yours cleaner? 14k gold on mines

Nigga don't be trying to hate nigga I know you aint

So you say you like my chucks thank you then that's
fine

Red yellow green black matter of fact army fatigue

Got ed hardy graphics or symbolizing don't smoke
weed

You can't get chuck mo flyer gone on let em shine

I want chucks you said reebox yo you wasting my time
