Chorus:

I'm in the bayous I always surprise yall never know
what's gone happen next
I'm in the bayous at mardi gras collecting me a fat
check

Verse1:

All my creole residents gone and blow yall trumpets
If it's avias in yall cd players gone and bump it
I don't left all these niggaz in the state of florida
And transported to lousiana new orleans border
All these rappers washed up like some fish in a swamp
I just made it to new orleans now they really bummed
All circus rap clowns couldnt hold down dumbo
Now I'm eating them one by one like a pot of gumbo
And what comes around goes around, now they all
scared of me
Any rapper better I'm hunting them down like double
jeopardy
Yeah I know I'm the prince, so that leaves yall toad
Only thing you kissing today is what I sit on comodes
These niggaz bars be sounding dead something like at
a funeral
You can tell they didn't finish high school, decimal,
numeral
Come on get it together, cause yall niggaz is whack,
Besides I'm tired hearing music, then putting on all
black

Chorus:

I'm in the bayous I always surprise yall never know
what's gone happen next
I'm in the bayous at mardi gras collecting me a fat
check

Verse2:

And this just the beginning I got yall addicted like
voodoo
Young nigga outta polk ripping tracks like who-knew
Any nigga with better bars breaking that shit up like
pralines
Then I'm cashing this fat check, boarding first class

airlines
Sitting in riverside cafes, eating lobster meals
Niggaz wondering how I do it with these lobster bills
Nice bachelor pad spreaded out in the hills
Got a living room set, yo, that freaking kills
Back to the subject yo I'm badder than a lot these thugs
I'm a square and these niggaz still softer than bad girls
club
Fighting off the paparazzi fancy cameras and hugs
I'm shining like a firefly the rest of yall basic bugs
Niggas need to realize that I live in a world of
whimsical
I'm not easily defeated bouncin back like mystikal
You can catch me downtown new orleans in a hotel
In the corner counting doe next to me shotgun shells

Chorus:

I'm in the bayous I always surprise yall never know
what's gone happen next
I'm in the bayous at mardi gras collecting me a fat
check
