Dad: hey sonia wheres our son avias I haven't seen him  
all day hun

Mom: well you know dad every since he got those new  
puppets he's just turned

Into a homebody locked in his rooms for hours!

Avias: tip toe tippy tippy toe left arm, right arm, mouths  
scrubbing floor,

Ah haha this guys funny, tickle tickle

Verse1:

Welcome listener into my little shop of horrors

Let me repeat myself I eat bars and save scraps for  
tomorrow

I'm the puppet master of rap living up to my name

Rappers drop bars and give brains but I tell em no  
strings

My bars so cold I make em shiver killing fanz doing  
shows

Other rappers read music for dummies but I prefer the  
pros

Like the old saying goes I make money money do not  
make me

Better yet I am money squeeze me next to george  
washington

I'm the show starter you others better not say a word

So sit back and relax fanz be appauled by my  
deliverance- put yo cellys on

Silent cause yall know I'm fina kill it and I'm in complete  
control yes kinda

Feel like a vantriloquist mary shaw is the name  
attention I came about

Business not no beating around the bush but revealing  
to yall whose winning

This

So do you believe in avias you over there do you know

His bars are realer than real more realer than pinocchio

Chorus:

In in the game I'm in the game I'm in the game (4xs)

Dead silence

It's dead silence

Verse2:

Okay it's time to bring the new in boring places rap  
I know yall tired of seeing the same boring faces crap  
what happened to good music like aaliyah and lauren  
Taking ya minds on adventure like walt disneys soarin  
Niggaz don't realize av prouductionz is a mega  
catastrophe  
Putting yall on cloud 9 like dental funny gas "laugh at  
me"  
Yall niggaz funny like katt williams yall niggaz give me  
the giggles  
Yall working fast food I got green the only green yall  
see pickles
