Intro:

Avs 2011

Chorus:

I (3x's)

Need

Your

Love

I need your love

I need your love more anything else right now

Verse1:

Don't be upset with me

Don't hold it against me

My heart is crying

Out for strength cause it's weak

I've done so much in the past

Karma come back really fast

How long is this gonna last

The world just hate my ass

No one to run to when you sink

Hurt is all over me

I need you cause I'm weak

Don't judge me when you speak

I wonder what's my next task

My life should be a blast

Nothing it's more I gotta have

I'm desperate for prayer

Chorus:

I (3x's)

Need

Your

Love

I need your love

I need your love more anything else right now

Verse2:

All hurt inside of me  
Running down from my head to my feet  
This pain no one can see  
Loved ones don't listen and flee

I have a question to ask  
Life seems it's moving to fast  
I don't want to end up in last  
Can I ever let go of my past

People come to criticize me  
I need a new authority  
Locked down come set me body free  
First wish if I was granted three

They say first you end up in last  
My life should be a blast  
The world just hate my ass  
How long is this gonna last

Chorus:

I (3x's)  
Need  
Your  
Love

I need your love  
I need your love more anything else right now

Give me some give me some give me some... I need  
your love (16X's)

Avias da rap nemesis

Chorus:

I (3x's)  
Need  
Your  
Love

I need your love  
I need your love more anything else right now
