Intro:

Ugh ugh oh

Ugh ugh oh

Ugh ugh oh

Ugh ugh oh

Verse1:

I feel so alone

Mortgage company about to foreclosure my home

I hate this addiction

Yes lord I know rehab is what I am missing

I have low self esteem

In this world I feel like I'm the ugliest thing

I keep falling back in sin

I'm so worried sometimes is the devil gonna win

I worry about my mother

Cousins, sisters, auntees, and my brothers

I hate being me

Everyone know I'm the stupidest thing

I'm never gonna make it

My friends so far ahead I can't take it

Chorus:

Ugh ugh oh- never gonna give up (4xs) god is gonna change it

Ugh ugh oh - never gonna give up (4xs)god is gonna change it

Ugh ugh oh- never gonna give up (4xs)god is gonna change it

Ugh ugh oh- never gonna give up (4xs)god is gonna change it

Don't be distressed (4x's)

Verse2:

I can't take this grief

Every since my love one died I need a relief

I feel really sick

I just need a helping hand to help me get through it

I never can prosper

Same person come around push me back even further

I wish I wasn't in jail

Why do I get myself caught up in this cell

My family causes stress

I don't even have peace for final exam test  
I want to be saved  
I don't want to go to hell at such a young age  
I just wish I was happy  
Maybe then my life wouldn't be so crappy

Chorus:

Ugh ugh oh- never gonna give up (4xs) god is gonna  
change it  
Ugh ugh oh - never gonna give up (4xs)god is gonna  
change it  
Ugh ugh oh- never gonna give up (4xs)god is gonna  
change it  
Ugh ugh oh- never gonna give up (4xs)god is gonna  
change it  
Don't be distressed (4x's)
