Chorus:

Don't hate, don't hate
I'm so tired of hearing people saying I can't rap
Cause yall late yall late
I'm the one that pave the way putting the L on the map
I pull the talent out hopeless souls throw me a dap
On the corner with thugged niggaz trying to see what's
happening
Don't hate don't hate
Yall see me posted on a flyer make ya do double takes

Verse1:

I know yo favorite rapper beats aint hitting like this
I know yo favorite rapper lyrics so weak than a bih
Then yall think yall can tell me I aint spitting rhymes
Telling me my music weak, you wouldn't spend a dime
Before yall come checking me ya need to check
yourselves
I'm cleaning up the rap game till it's nothing left
Like a little kid snatching toys off the shelves
My lyrics game so sick yo, it's bad for yall healths

Chorus:

Don't hate, don't hate
I'm so tired of hearing people saying I can't rap
Cause yall late yall late
I'm the one that pave the way putting the L on the map
I pull the talent out hopeless souls throw me a dap
On the corner with thugged niggaz trying to see what's
happening
Don't hate don't hate
Yall see me posted on a flyer make ya do double takes

Verse2:

My name avias if you didn't know I'm new to the game
My name avias if you didn't know I repeat the same
Cause anyone of yall niggaz wanna battle lets battle
And for the haters make me greater cause I make yall
hearts rattle
I'm flying through all haters like a hi and a by
I'm on the roll to lots of new shit I don't even try
Lyrics so heavy so why would you want to stand in my

lane

A bowling ball just hit a strike I just won the whole game

Chorus: (2x's)

Don't hate, don't hate

I'm so tired of hearing people saying I can't rap

Cause yall late yall late

I'm the one that pave the way putting the L on the map

I pull the talent out hopeless souls throw me a dap

On the corner with thugged niggaz trying to see what's
happening

Don't hate don't hate

Yall see me posted on a flyer make ya do double takes
