Verse1:

Streets dry, sunrise, the projects just woke up
In about ten minutes here come that black, chevy, gutti
out truck
It's a friday so grills fired up like general electric
heaters
Close you mouths cause yo ears open hearing auto
speakers
Even tho today is fun someone else don't feel the
freshest
Every house have a depressing story like something
like that of precious
Grievances out to the dead wish the living the bestest
Shoutout to the down and out hospital bullet in
chestess
It's a new day for every age even toddlers yo
In the mornings nickelodeon but mom just so blowed
Said she can afford the cost of living it's getting to
hard
Baby daddys wont even step up, wont even the mow
the trashy yards

Chorus:

It's time to wake up
It's time to wake up
Stop living in that fast lane living in that fast lane
It's time to wake up
It's time to wake up
Stop living in that fast lane living in that fast lane
It's time to wake up
It's time to wake up
Stop living in that fast lane living in that fast lane
It's time to wake up
It's time to wake up
Stop living in that fast lane living in that fast lane

Verse2:

Every ghetto have some love like icecream men selling
scrapers
Or like the sunday boy on bicycles handing out papers
Every apartment have a neighbor like two jail cells
sitting together

Everybody seem to borrow like inmates passing letters
Some plan to move out moving up to some better
Others only know the projects getting swisher sweets
wetter
Some want to move up north to scenery sporting nice
sweaters
I think I like it downsouth palm trees, beaches nice
weather
Class bell ring school been dismissed so the dansal
just head home
Dudes spot her on the sidewalk ready for some nice
dome
Now she pregnant things move fast and she dropped
out of school
Boyfriend posted on the corner trying to sell dope,
weed, and tools

Chorus:

It's time to wake up
It's time to wake up
Stop living in that fast lane living in that fast lane
It's time to wake up
It's time to wake up
Stop living in that fast lane living in that fast lane
It's time to wake up
It's time to wake up
Stop living in that fast lane living in that fast lane
It's time to wake up
It's time to wake up
Stop living in that fast lane living in that fast lane

Bridge: (rap)

It's this twisted world of fate from the time that you
birthed
This one pregnant, that one dead, they over there got a
curse
This one homeless, that one broke, they over there
selling drugs
This one heartless, that one smoked, they over there
think they thugs
It's this twisted world of fate from the time that you
birthed
This one pregnant, that one dead, they over there got a
curse
This one homeless, that one broke, they over there
selling drugs
This one heartless, that one smoked, they over there
think they thugs

Chorus:

It's time to wake up

It's time to wake up
Stop living in that fast lane living in that fast lane
It's time to wake up
It's time to wake up
Stop living in that fast lane living in that fast lane
It's time to wake up
It's time to wake up
Stop living in that fast lane living in that fast lane
It's time to wake up
It's time to wake up
Stop living in that fast lane living in that fast lane
