Intro:

Avias

Get away (2x's) drag get aways

Verse1:

Don't sit up here and play like yall don't know what time
it is

Grab a towel, bathing suits, lets take it for a spin

Life too short, to sit around

Timeshares, tropic spas, lets put it down

Lets go to the beach, get something to eat

Break that cycle in your life that's continuous repeat

I want to stand on the shore and enjoy the smell

Digging in the sand, finding a seashell

Chorus: (4x's)

Lets just get a-way

Because a whole world awaits

It's a sunny day and it's time to play

Bridge

Get away (4x's)

Verse2:

Yo, now we at the beach, I'm feeling so good

I'm doing stuff that I never thought that I could

Jumping off a cliff, into blue springs

Now I realize the true meaning of things

The world is so big and stress is so small

Grab my luggage I'm bout to have a ball

From mexico to the eastern border

The coastline is beautiful, especially in florida

I just want to have fun and live my life

Clap, clap, we party all night

Everybody showing love and the place is filled

I can picture myself in sunflower fields

Exploring the mysterious like mermaids

Better yet we can boat in the everglades

Life is one big adventure and I'm looking for more

After all you never know what life have in store

Bridge
Get away (2x's)

Chorus: (4x's)
Lets just get a-way
Because a whole world awaits
It's a sunny day and it's time to play

Bridge
Get away (4x's)
