Dis right here is my track

Other lame mc's time to fall back

I'm stacking all this paper... you call "STACKS"

I hear yall secretly talking "there go avias" um shutting down chit chats

Verse1:

My wrist just bling-ing car ride 5 deep in chuck taylors
not cheap in um up yall sleeping

Thought I was bout to leave in I JUST CAME BACK WITH
A-NOTHER TRACK

Other mc's rap but don't know what to do. I add 3 lyrics
and subtract by two how many fanz they got

My outcome equalled two.

"AVIAS KILL IT"

Step out friday night, long sleeve cut tight, my swag so
mean, got niggaz wanting to fight, pull up in the benz,
head on to the back, last time I check " tim we v.l.p
right?" and I'm pretty boyed down, I enter room don't
make a sound, got versace shades and my click
standing around, 14 k earrings damn they bout weigh
a pound I know you hating nigga smile fades into a
frown

Yall niggaz can't see me

I'm hard like that glass on yo tv screens

How many times I got to explain again and again

I'm that feeling that you have when you just lost yo
bestfriend

Avias TAKE OFF

I'm back like a villian, be-tter yet like the cops, when
they bout to bring the dogs in ta-king all yo rocks
Niggaz rocking to my music like a lady in a chair, better
yet rocking like they at a concert so prepare
No be lazy yo, not aware, wash you out like lice in dirty
old hair. I'm a flirty so move yo girl from over there
Cause she bound to be in da crib don't believe me then

dare. I got a pretty boy swag, so a pretty boy flare.
Dis be avias da rap nemesis "um da best" yo I swear!
