Verse1:

I know
Know
You oh
Oh

Verse1:

You keep telling me stuff that I want to hear
Cause standing my ground I surely fear
Keep showing me only one good side of you
But behind my back you revealing two

Oohh you the dumb stupid person but I thought you
would know
Naw I find it quite appealing letting true emotions not
show
Mastering weak people is my specialty yo

Chorus:

You a manipulator
A manipulator (15x's)

Verse2:

Ha ha ha ha I've got you now
It's too late to fix mistakes haha I'm just that foul
Knew it wouldn't be hard to get over on you
At first I thought you was smart but you dingy oh

Oh you should be ashamed of yourself cause you a pro
Fell victim to your circumstances wish I just knew
But now I figured you out karma coming back too

Chorus:

You a manipulator
A manipulator (15x's)
