chorus:

reach up to the sky above higher  
like you cant get enough  
reach up push the feeling higher  
and let me bring it back

verse1:

what the hell yall think this is this aint forth of july  
these niggas blowing up fireworks i dont even know  
why  
its 2012, and this year ring a bell  
got one million views on youtube checking fan mail  
cause they know i write it good, something thats gonna  
sell  
like a boat when i glide overseas making deals  
everybody in this place feeling so good and real  
i dont have time for lames im getting fed classy meals  
i got the dj playing my tracks all day overnight  
if you with me then be with me taking off to new  
heights  
lyrics so magic peterpan um taking off to new flights  
when i step off in the building i keep the crowds hype  
me on stage, dj hits, bar located in back  
i aint worried bout my cash i got racks on racks on  
racks  
didnt get urban slang introduce you to stacks  
yall know its me avias seay best mc on mic

chorus:

reach up to the sky above higher  
like you cant get enough  
reach up push the feeling higher  
and let me bring it back

verse2:

here we go the second quarter guess you didnt get  
first  
might need a translator if you want to keep up with  
words  
cause my flow is so sick and my ora's amazing  
everytime i brace the mic making tracks thats so

blazing

lyric game so loud enough to make you deaf  
taking over the rap game till it aint nothing left  
and dont worry about me just worry about self  
863 polk county, I town what i rep  
what yall wanna do, where yall wanna be  
i told yall last time im the best off up in the streets  
my ego so high like sky scraper towers  
if yall wanna spit like this its gonna take yall hours  
its so a new year and so a new me  
make yall all dizzy by the time i reach quarter three  
wanna know if im taken hell nawl cause im free  
wanna know if im gay let it be what it be

chorus:

reach up to the sky above higher  
like you cant get enough  
reach up push the feeling higher  
and let me bring it back

verse3:

these niggaz mad cause i got the spot  
i even got ya grandma saying my lyrics hot  
stepping out on every scene slacks with a tie  
you niggaz cant be me cause you niggaz so pie

when you see me in your hood show a nigga respect  
dressed down fitted cap iced out around my neck  
im moving so fast the way im ripping these bars  
rocket loaded i exploded then im shooting to mars  
if a nigga got beef i be like what the heck  
are you sure be forreal 50 goons thats on deck  
my name avias seay type in google and check  
wanna bring a freestyle battle how much yen bet  
reaching up to the skys for my fallen mcs  
ya know the ones that rip lyrics to the third degree  
all my ladies and gents all around make some noise  
i came to take over the game reppin for my boyz

chorus:

reach up to the sky above higher  
like you cant get enough  
reach up push the feeling higher  
and let me bring it back
