Uh oh dis avias
Yall shouldn't have let me get this exclusive

(This is a triad exclusive)
Ah ah ah ah ah ah
Ah ah ah ah ah ah ah ah

Chorus:
These other girls no competition
You the baddest in the building
Sit down sit down
They be trying to get you shine
But you the one know how to kill it
Sit down sit down
Cause you gone do it do it get it how you get it
Stick it stick it drop down with it
Now ride ride ride ride ah ah ah ah

These other girls no competition
You the baddest in the building
Sit down sit down
They be trying to get you shine
But you the one know how to kill it
Sit down sit down
Cause you gone do it do it get it how you get it
Stick it stick it drop down with it
Now ride ride ride ride ah ah ah ah
Shut em down down down shut it
Shut em down down down shut it
Shut em down down down down down down down

Verse1:
This avias on the mic yall already knew who it was
I made this club banger for my ladies in the clubs
The ones that know they bad have them step they
cookies up
The ones that so bad getting love from the thugs

Chorus:
These other girls no competition
You the baddest in the building

Sit down sit down
They be trying to get you shine
But you the one know how to kill it
Sit down sit down
Cause you gone do it do it get it how you get it
Stick it stick it drop down with it
Now ride ride ride ride ah ah ah ah
Shut em down down down shut it
Shut em down down down shut it
Shut em down down down down down down down

Verse2:

Aye she bad she fire
Aye she bad she fire
Aye she bad she fire
Aye she bad she fire
Aye she bad she fire (the ones that know they bad have
them step they
Cookies up)
Aye she bad she fire
Aye she bad she fire (the ones that's so bad getting
love from the thugs)
Aye she bad she fire

Chorus:

These other girls no competition
You the baddest in the building
Sit down sit down
They be trying to get you shine
But you the one know how to kill it
Sit down sit down
Cause you gone do it do it get it how you get it
Stick it stick it drop down with it
Now ride ride ride ride ah ah ah ah
Shut em down down down shut it
Shut em down down down shut it
Shut em down down down down down down down
