I got them cali fans... floridians
You know how I do orlando balling
Just a couple grand watch on my hand
Look to the skys and thank that man

Hit me up quick on yo iphone
Android markets my apps yall be on
I sound to cocky I know that's absurd
I.m. me quick yo drop yo wordz

Just step in... stepping the house
Log on pc... google what I'm bout
I live down south... yo that's my word
Sound to cocky... yo I guess I'm a jerk

Chorus:
Did you miss me... yo it's no excuse
Log on pc... go to google
Type in that name... haterz don't be hurt
Get like me... a social network

A social network... dats who I am
Reach me facebook... drop that moneygram
That's who I be... feelings gone get hurt
Yall niggaz jealous... a social network

Verse2-
I always miss my friends, but they can't miss me
Pictures super fly... on they com-pu-ter screens
Don't call me a lame... um important
Drop some yen... just to pay yall rents

Lady gaga... wrote that song for me
Paparazzi... is what her eyes would see
Last time I dropped... a freaking song
Haters thought I vanished... what the you on

I make music... it don't make me
Like you hear this track... see what I can be
More than just... simply avias seay
One million pictures on ya computer screens

Call me up sprint... find me on gps
A.o.l... you know americas best
I can't hide from you... but you can hide from me
A social network... what dis young nigga be

Chorus (2X's)
Did you miss me... yo it's no excuse
Log on pc... go to google
Type in that name... haterz don't be hurt
Get like me... a social network

A social network... dats who I am
Reach me facebook... drop that moneygram
That's who I be... feelings gone get hurt
Yall niggaz jealous... a social network
