chorus:

girl you superwoman, cause just so fly  
you do everything you need to get by  
you always there to save the day the others be lying  
they cant tell me likewise, cause i know you always  
trying

verse1:

girl you blow me away, you just so amazing,  
you take care yo kids, you take care yo babys  
so classy and so jazzy, dont have time for the streets  
always out making major moves for ends meat  
a lot of your friends couldnt do it, but you always there  
to save em  
said they lights about to get cut off but you there to pay  
em  
always keep your hair done, and your nails a necessity  
put god first in your everything and thats why he keep  
blessing it  
said you going out tonight stepped in the mirror, dress  
draped  
streets niggas see your sex appeal but i see a cape  
said your favorite color pink but this just cannot be true  
cause i cant stop visualizing red and blue girl on you  
everytime that im stressed you always open my eyes  
take me far away from worry and into the blue skys  
girl right now i know times are hard cause you dont  
want to fail miserably  
just keep fighting for your come up and you will reach  
your victory

chorus: (2x's)

girl you superwoman, cause just so fly  
you do everything you need to get by  
you always there to save the day the others be lying  
they cant tell me likewise, cause i know you always  
trying

verse2:

yo family always downed you said that would amount  
to nothing

but you proved em wrong now you got them stalkers  
lurking  
lil webbie made that song for you because you so  
independent  
know how to budget keep your money in the banks and  
not spend it  
teach yo kids value in life in everything that they do  
you got me feeling like drake cause im just so proud of  
you  
yep you keep the villians haters in the streets talking  
trash  
aint worried bout em cause yo click is like an army  
mash  
girl right now you drive a neon but by next year a vert  
just keep doing what you do praising god and going to  
church  
like they say hard work pays off keep pushing forward  
through haters  
girl you put in overtime recieving fruit for ya labors  
now just come over here, i just want to make love  
want to pleasure you for always going all of the above  
you such a soilder always keep ya head up trooper  
gunning  
you so beautiful and sexy youre my super woman

chorus: (2x's)

girl you superwoman, cause just so fly  
you do everything you need to get by  
you always there to save the day the others be lying  
they cant tell me likewise, cause i know you always  
trying
