Verse1:

So I was born and raised lakeland florida
Out here in these streets trying to make a quarter
A young nigga just trying to find direction in life
It's a variety of bad choices but I want what's right
We live our whole life to die in the end
Time is of the essence so with christ began
Try to keep a low profile stay outta trouble
Niggaz reaping what they sow times two, double
Nowadays this world is flooded with sin
Illuminati many cults that's got to end
Bad music, kids do it, it's a big ol trend
Bow down on knees, say a prayer and send
All you rappers that promote bad music will pay
Be real do you want to go out that way
Dear god I love you so much so I wrote this track
Sinners turn away from sin and you have will your kids
back

Chorus: (2x's)

Yall think yall getting away with it but it's the beginning
What's gone happen when it reach the end
So stick to your choice if you with the righteous
Cause the gift god got is surely priceless

Verse2:

Niggaz nowadays be on the diamonds and pearls
What did you gain if you lost your soul to the world
No matter what you go through god always is there
To listen to your problems pull up a chair
Everything that glitters isn't gold
God tired of the sin it's getting old
Everyone hiding the truth and it's making me piss
I gotta break it down to my fans just like this
See I used to hang with em... friends that's bad
Switched it up this is now... those were friends I had
God gets all the glory in all circumstances
Living conditions, or finances
I rep for my christians everyday
I'll die for the just in everyway
I love my god cause he don't play

It's time for the rest of the world to awake

Chorus: (2x's)

Y'all think y'all getting away with it but it's the beginning

What's gone happen when it reach the end

So stick to your choice if you with the righteous

Cause the gift god got is surely priceless
