Intro: avias seay

Chorus:

So I take a minute to think and realize  
It's the world against me right before my eyes  
Friends come and go nothing is forever you see  
Just one simple explanation it's the world against me  
Which direction shall I go no matter it's my choice  
Whether I want to sing or rap who cares it's my voice  
I'm simply avias simply avias seay  
I'm ready for the world cause the world against me

Verse1:

I was born in lakeland fl aunt name me avias seay  
From the time I was in elementary I knew the world was  
against me  
Mom kept me dressed tight stepped in school looking  
clean  
Niggaz felt really intimidated so you guessed right  
"they were mean"  
Always kept to myself it was no need to make friends  
Cause you loose them overall gain nothing in the end  
So I started drawing pics bringing in a new trend  
Everyone wanted names drawn with my pen  
Throughtout school was really artistic until I got out  
Knew I would be a star without the shadow of a doubt  
Hung around crooked friends so I just took a new route  
While they were hating I'm visualizing crowds "avias"  
they shout  
Every man for themself in this crazy life game  
No one seem to be real everyone lame the same  
I trying my hardest to avoid obstacles around me  
It's the world against me yes truly avias seay

Chorus:

So I take a minute to think and realize  
It's the world against me right before my eyes  
Friends come and go nothing is forever you see  
Just one simple explanation it's the world against me  
Which direction shall I go no matter it's my choice  
Whether I want to sing or rap who cares it's my voice  
I'm simply avias simply avias seay

Verse2:

No matter where I go people look up to me  
They ask me what's is my name I tell em avias seay  
Every mistake I make surely is on me  
I have to put in effort if I want to succeed  
Haters come a dime a dozen so I block them out  
By the time I get rich I know they are gonna pout  
Everybody for they self expressing my views out loud  
And I never snitched on friends cause that wasn't  
allowed  
Everyday I wake up I just have to thank god  
He gave me another day wash my sins and restart  
If I get in trouble no one coming to bail me  
I have to be careful the world against me  
I'm about stacking up cash never letting cash drought  
So you wonder who I am I'm avias seay hustling um

And you gotta walk in my shoes maybe oneday you'll

Sometimes you feel like you can bring problems to  
friends  
But hell no yo I can't even bring my problems to my ken  
Niggaz see only one way they perspective of things  
And I see only one way my way aint gone change  
Everybody gotta strive to make it in life  
So why people hate yo that aint even right  
Nobody on your team nobody on your side  
Nobody keeping it real everybody got something to

This a real wicked world nobody that I trust  
This real pretty boy swaggerific chucks is a must  
Mo money mo power reeling in cash every hour  
Like the sweeter stuff in life never sour
