This life like one big theme park.
I don't give a care uma count my money
Not that I'm materialistic just every booth cost me...
This a thrilling place yo you lost me!

Filled with thousands of attractions and games
People don't bring drama cause I aint playing
I'll ride them like a rollercoaster whoaaaa they saying

Chorus:

Bumpercars is like traffic in the road
Rollercoasters going fast is like people wraths

The ferris wheel is from top to bottom
Like sitting rich being high then hitting rock bottom

Rollercoasters going fast is like people wraths

Verse2:

Like momma once said who care what they say
You are my child I love you anyway
And that's why my ego is so big
So important like a carnival and candy to a kid
And I do regret stuff in the past I did
Sometimes life deal you something, so you hid
Underneath your fear scared to face life for the worse
Don't be like that it's easy if moneys in your purse
This world we live in is so sophisticated
One big themepark yo some hate it

Yo some hate it

Yo some hate it
