Intro:

There it go

Chorus: (2x's)

Get it (6x's)

Get it ma get it

Move your body to the right nah get it

Move your body to the left nah get it

Get it (4x's)

Bend it on over right now ma get it

Move your body to the right nah get it (ah ah ah ah)

Move your body to the left nah get it (ah ah ah ah)

Verse1:

Yall knew what time it was when I stepped off in this club

I came to shut it down yall knew what was up

Bartenders in the back, whip a couple more rounds

Um from polk county and I came to shut it down

Niggaz jocking my style, if ya talking sideways you getting hit in ya mouth

Throw ya L's up if yall off up in da building, put yo hands up if ya bread

To ceiling

This nigga worth a million, got the black diamond earrings everybody know

They feeling

This nigga so silly, that chick so bad, bartender gone and bill me, for I

Get mad

I don't play bout my dough, any bad chick I knock ya lights out like teco

Riding in the caddy I done put it to the floor

Don't tell me slow down cause I'm gonna flush it more

How yall like me now, I'm feeling myself ego to the sky

Nigga stayed swagged up why yall other niggas try

Candy paint on the charger that will make a baby cry

Sigh sigh sigh sigh, keep my name out ya mouth gone on let it die

Got the chuck tees on rainbow colored dye

Gone on blast this track cause yall know it's so fye

Chorus: (2x's)
Get it (6x's)
Get it ma get it
Move your body to the right nah get it
Move your body to the left nah get it
Get it (4x's)
Bend it on over right now ma get it
Move your body to the right nah get it (ah ah ah ah)
Move your body to the left nah get it (ah ah ah ah)

Verse2:

Posted up in the back, look at that nigga snoring, this
club don't let out
Till 3 in the morning
Everybody feeling good, everybody just crunk
That girl there small, this one got a donk
And she know how to move, she know how to shake it,
Drop it down to the floor hit a split, earthquake it
Bounce yo little booty over there over there
6 inch stilettos with nicki minaj hair
If ya lame grab a chair, we about to shut it down like
this that there
Move to the left gone on ma ride, don't be shy just clap
them thighs
Give her space and wide, she da baddest n da building
she don't see no ties
This place on swole like a football game
Once these niggaz tap out they aint gone never be the
same

Chorus: (2x's)
Get it (6x's)
Get it ma get it
Move your body to the right nah get it
Move your body to the left nah get it
Get it (4x's)
Bend it on over right now ma get it
Move your body to the right nah get it (ah ah ah ah)
Move your body to the left nah get it (ah ah ah ah)
