Avias seay 2011 "Truth"

Verse1:

It's the blunts, it's the 40's got your mind so blurry
Like fog on a mirror when you step out the shower
Satan collecting souls seconds minutes and hours
It only take the chosen to realize god hold all power
Never can he devour satan surely can tempt
Sin got your life crazy know that you're not contempt
And he don't hold no one exempt
Little kids maturing quick can't even pay the rent
From heaven he sent his only begotten son
Confess all your sins see the battle already won
God got so much for you telling the truth this is aint no
lie
Satan cover the truth this is his strategy disguise
Oneday we will see truth when the lord come through
the skys
Wiping away tears from the righteous hurting eyes
Until this day come just deliver the truth
The truth is the bible that help you get through

Chorus:

I want... the truth
Nothing... but the truth
If you can't deliver this... then don't come through
I can't make my own rules... to cover what I do

I want... the truth
Nothing... but the truth
If you can't deliver this... then don't come through
I can't make my own rules... to cover what I do

Verse2:

Like a poisonous snake he awaits your next move
Coming in like a rake you the leaves he gotta move
You on a dark path this is what satan choose
Then you take your last breath and guess what "you
lose"
Avoid all these mistakes cause with god you don't
stress

Building you up to better like a dove builds it's nest
And realize who you are cause you making success
Always honor the father and you surely will be blessed

Chorus:

I want... the truth

Nothing... but the truth

If you can't deliver this... then don't come through

I can't make my own rules... to cover what I do

I want... the truth

Nothing... but the truth

If you can't deliver this... then don't come through

I can't make my own rules... to cover what I do
