Verse1:

I'm addicted to a punk, rock, caucasian swag
Got my white tee with the button up open with no tags
Chucktaylor's with the socks, with a belt no need to sag
When I'm a home alone, in the mirror previewing my
fad
Flip flops skinny jeans they talking
Spiderman backpack when walking
Got the haters mad and stalking
Swagged out like macaulay Culkin
(LETS GO)

Chorus:

I'm a white boy
I'm a white boy
White boy trapped in a black body
I'm a white boy
I'm a white boy
I'm a white boy
Somebody grab me a hottie
I'm a white boy
I'm a white boy (4x's)
(LETS GO)

Verse2:

Yo these niggaz be rocking fitted caps, jerseys I aint

So hott I'm making em catch a fever

So fly leave em mad like angry beavers
