Chorus: yall niggaz don't know it's hard to go on
When your brother in prison and you feel all alone
I do it for my brother I do it for yankk
If you aint talking money then yo shit stank
Thas how I remember his convo was too
Thas why bro this song I dedicate to you

Verse1: I remember when I used to be in town
My brother would be gone and never make a sound
I longed to get closer cause I knew it the most
That my bro hung with friends that he shouldn't no
They were not right I could tell by they swag
But my brother thought they were the only friends that
he had
Mama always used to say to stay out the streets
But this he never cared he just kept it deep
If only I could change back the hands of time
I wouldve been closer to him given peace of mind

Chorus: yall niggaz don't know it's hard to go on
When your brother in prison and you feel all alone
I do it for my brother I do it for yankk
If you aint talking money then yo shit stank
Thas how I remember his convo was too
Thas why bro this song I dedicate to you

Verse2: now last year sometime they sentenced my bro
Got jail time but didn't know the sentence was to go
All of a sudden I see my mother in tears
And she can't believe he gone after all these years
Sometimes I wake up in the middle of the night
Only to realize my brother gone before my eyes
It's a price that you have to pay
So in trouble please don't stay
Just focus on a job later on you can lay
No fast money the wrong way

Chorus: yall niggaz don't know it's hard to go on
When your brother in prison and you feel all alone
I do it for my brother I do it for yankk
If you aint talking money then yo shit stank
Thas how I remember his convo was too

Thas why bro this song I dedicate to you
