Chorus: it's the fourth of july so all my niggaz just
reach for the skies

All my ladies get fly grab yo jeans with them heels on
the side

If you shy then swallow your pride get loose like a
rollercoaster ride

Pass me the drink um ready to ride give me that blunt
everybody get high

Verse 1- uma tell yall something that I like the most

It's a holiday at that give me a toast

Yall niggaz see the cars with the gold grill yo

And the fine breezies on it ready to go

I love the gun smoke and the cherry coke

Now slide me some henessy then lets choke

It's the fourth of july time to sprout in the sun

No fighting right now um ready to have fun

If you playing a game then I hope you won

If you laying out relaxing then enjoying my song

Yall already know it's time for the show

Not feeling good yet leave it to the pro

Chorus: it's the fourth of july so all my niggaz just
reach for the skies

All my ladies get fly grab yo jeans with them heels on
the side

If you shy then swallow your pride get loose like a
rollercoaster ride

Pass me the drink um ready to ride give me that blunt
everybody get high

Verse2- everybody feeling jazzy everyone on the scene

Everyone look amazing to the club uma beam

It's like having a dream but it's really real

Forreal forreal yall niggaz know the deal

Mo cookouts than a restaurant music than a store

I done drunk three glasses and ready for more

It's the 4th of july it's that fine day

Nobody acting cheezy nothing greasy to say

Now the night flaring live and it's firework time

Better go and light that match so this my last rhyme
Can't wait to next year rocking red with the lime
And my car gone stop at the drop of a dime

(2X'S) chorus: it's the fourth of july so all my niggaz
just reach for the skies
All my ladies get fly grab yo jeans with them heels on
the side
If you shy then swallow your pride get loose like a
rollercoaster ride
Pass me the drink um ready to ride give me that blunt
everybody get high
