Chorus 2 X's

Man gone... I'm on my grown man status
Lames gotta go all that drama yall can have it
Yall talking he say she say um talking business
Looking for my next paycheck so yall gladly been

Verse1:

Oh my gosh here they come
Plug my ears so I can't hear it
Bout to make a big success
My dreams yes I'm near it
He said that but no I don't fear it
It take a whole lot more to bring me down
Like no pay just bury me in the ground
I'm ducking and dodging all the negative shit
Why yall haters taking free shots like basketball kid
Yall niggaz just exist but yo I'm an ora

Never will get flow that's mo better
Flow so well like rainy weather
Better yet I'm a storm cause I'm new to this shit
To all my other mc's I can't rep for ya kidd

So yall can gone with that and no I aint playing

Grown man all day so yes I had to say this
Hiphop in danger and yes I came to save it

Looking for my next paycheck so yall gladly been
