out and shine! hard world  
Day by night! I'm on the grind. trying to stand. out and

Verse1. yo this nigga trying hard doing just what I do  
Don't have a stage name for that call me pooh

Don't never feel worried it's coming just wait on it  
When people give you the cold shoulder then leave  
Give em the hot one back and flip yo sleeve!
