### Intro:

I'm fly & wit da swagger so you know ya boy pulling  
You cheated wit ya boy so it's time to get moving  
If you a hater and you know it you can change yo name  
to lame  
Rappers fall back now cause avias in the game

### Chorus:

I aint playing I'm ready to move on to it  
You potray to be gangsta but I don't see you do it  
If you fake or flaw I suggest you keep it moving  
You about talk so you aint shit!

Nigga talking flaw shit nigga you real corny  
I'm about to click so nigga shut yo barney  
You is dumb who the fuck is yo chick  
Nigga you a lame I know you she aint with

Verse1: I'm feeling so powerful when I woke up this  
morn

Grab the black bens and the streets now um on  
Just cruisin in the breeze like something in belize  
Seen a bunch of lames hanging round aint ready for  
fleas

I hang out with my real niggas today  
Aint no talking behind backs cause everyone layed  
Back on the coupe with the candy apple paint  
I once was a sinner but now um a saint  
It's not about the streets or about a niggas bank  
It's staying away from lames so a nigga wont sank  
Trouble easy to get in and hard to get out  
This be stuff real niggaz just aint bout  
Say no to bad drugs no selling coming from me  
Might swallow a little beer and black can't you see  
Lames to me is niggaz that's flaw got you in trouble  
when shit they even saw  
Be by yourself that's the best advice fake fony people  
just want to live yo life  
And that's the price that you pay for being nice so stick  
to yourself and live right

Chorus:

I aint playing I'm ready to move on to it  
You potray to be gangsta but I don't see you do it  
If you flaw or fake I suggest you keep it moving  
You about talk so you aint shit

Nigga talking flaw shit nigga you real corny  
I'm about to click so nigga shut yo barney  
You is dumb who the fuck is yo chick  
Nigga you a lame I know you she aint with

Verse2: that's the way I magnify myself never a lame  
Everyone gang up lets throw em out the game  
People get checked and then people still the same  
That's why I came up with a special name "LAME"  
If you didn't understand let me break it down  
Lame is a person that always come around  
I got about 1 million living in my town  
When you come confrontation then they never make a  
sound  
If you lie then you lame if you flaw then you lame  
If you steal then you lame if you kill then you lame  
If you snitch then you lame if you bitch then you lame  
If you talk then you lame behind a back that's ashame  
It be me you can't blame cause I'm real in this brain  
If u cool always the same  
Unless you the one that change  
If you real give me dap cause I know you the same  
If you fake flaw or fony you can change yo name to  
"LAME"
