Avias seay "party"
Wassup what's happening
Lets party get right
Lets party all night(echo)

Verse1:

Like everyone say life is too short
No need to sit still no time to be bored
Feel me homie where I'm coming from on the next level
Got to make it to a party so I can settle
Um talking girls with petticoats nice weaves and right
Niggas dressed really fly shirt banging kicks tight
No need to spend money drinks free all night
Nobody acting stank nobody gonna bite
No fights cause I came to just have a good time
Uma party party party let all my pride shine
And if you don't see the swagger than you simply blind
I'm ready to ride on to the next rhyme!
To the next rhyme to the next rhyme (I'm ready to ride
on to the next rhyme)

Chorus: PARTY PARTY PARTY PARTY

Verse2:

Now my homies at the bar having drinks getting blitzed
Everyone got a different convo in the mix
Of some vodka chased with gin yeah we doing it real
dirty
Nobody acting shy nobody acting nerdy
I'm a flirty that's how we do them dirty boys from down
south
I just come to the partys and be shutting them down
So we in I -town you say you heard a party
Down the street off lincoln and they mixing bicardi
We can't be tardy cause something like that I'm ready
to get in
Once the party end that's when the fun just began
Partying is something that I take really hard to the heart
If I aint at a party then I aint hit the dart
Got my sis shae she pulling up in the bens
Got her friends on her side like glasses with a lens
So we spotting out the next scene everyone drunk

Got on fly hardy outfits everyone looking spunk
Got 50hoes on my team surrounded by dunks
If you aint feeling the scene then peace cause I'm
buying
I'm ready to ride on to the next rhyme!
To the next rhyme to the next rhyme (I'm ready to ride
on to the next rhyme)

Chorus: Party Party Party Party
