Then I wouldn't be breaking households in
When he turned his back you tapped on my toes
Them signals that you give got me all on yo
Nice classy folds and that pretty ass nose
I steal you like a football and take you to the pros
Ready for good loving I can tell that you lust
But sorry homeboy yo girl is a must
Dis avias and I'm telling the truth
Yo girl up on me what more can I do

Chorus:

He just hit the bathroom so we don't have to sneak
Just lift up yo skirt give a nigga a peep
You know you feinen you know it's deep

Now I know never to second guess yo ass
You undressed me like see through glass
I want you in first place never in last
And forget about my friend cause that niggas the past

But I couldnt hit on you no way not just yet
I always wondered did you want me in your head
But now it's a fact cause you laying in my bed
Never wanted to cause confusion in your life
But you told me he cheats so now he pay the price
Girl my love for you so sharp like a knife
And if you say you love me better make sure you right

And I can't believe you all up on me

I want you too so much I'm weak
If yo boy find out then out you gone be
I know you want it you all up on me
