Chorus: I'm da flyest nigga you have ever seen  
Rolling black benz impalas that clean  
And if you know me... well then you know me  
Rocking my white tee niggas call me snowy  
See the wrist glowey and the chucks clean  
And the swag so deep and got haterz mean  
My name avias just call me avias  
Number one man that's just where I stand

Verse1: it used to be a time I was lost in the field  
Didn't know where I stood haters didn't never yield  
So I took a fast aproach to find out who I am  
Yall niggaz are the bacon but I'm bringing home the ham  
Got my dog tag yellow pants sagged  
Watches and rings what yall know about that  
Feeding 50 families watch em all get fat  
Then I got the lambourgini rolling top back  
I'm just so swaggerific living up to my name  
Style so terrific then I got all this fame

Chorus: I'm da flyest nigga you have ever seen  
Rolling black benz impalas that clean  
And if you know me... well then you know me  
Rocking my white tee niggas call me snowy  
See the wrist glowey and the chucks clean  
And the swag so deep and got haterz mean  
My name avias just call me avias  
Number one man that's just where I stand

Verse2: like everyone say too much stuff for you bad  
Then why it seems like all this stuff aint got me mad  
And why it's seem um the best rapper lakeland had  
Why haterz scared to love my upbringing fad  
See when haterz see me they don't know what to do  
They heard my name avias but people calling me pooh  
And yeah they got dollars but I got times two  
And yeah you gotta be classy that how a nigga do  
I'm so extravagant so I speak and you listen  
Yes I'm pulling all the girls and yo girl even wishing  
That you could be this fly so it's you that she dissing  
I forgot yo name aint avias so I guess that's what you

Chorus: I'm da flyest nigga you have ever seen  
Rolling black benz impalas that clean  
And if you know me... well then you know me  
Rocking my white tee niggas call me snowy  
See the wrist glowey and the chucks clean  
And the swag so deep and got haterz mean  
My name avias just call me avias  
Number one man that's just where I stand
