Verse1:

Yall already know this yo best mc  
And I got to watch ya girl cause you shaking to the beat  
Cause you um peeping and you got a motor on that ass  
Gotta grab yo number time running out fast  
You like a car but I can never fill you up  
Scared to get between them cheeks a nigga bound to  
get stuck  
You bouncing and shaking now twist it to the floor  
Back it up real low now um wanting some more  
You fine you sexy girl you know that you the shit  
Thas why all yo girlfriends mad at you kid  
You dance real good now you making me hard  
Um like oops oh no dis shit you bout to start

Chorus: um like nooo you dancing to hard  
Got a nigga hard um like oh my gosh  
Yeah you on point time to take you home so you can let  
a nigga bone like...  
You shaking that ass girl you shaking that ass  
You shaking that ass girl you shaking that ass

Verse2:

Now shake yo ass like you in the rodeo  
Now bend on over and let them cheeks show  
Now twist on down and drop it to the floor  
Now wind on the ground and make a nigga poor  
Now steer like khia and shake to the beat  
Then look back at me like trina eyes on me  
Now come back up with that ass like a throttle  
And if a hoe hating hit that bitch with a bottle  
You look like a model I'm just bout to holla  
Throwing lil mama stacks aint done to tomorrow  
Girl the way you dancing let me drop a massage  
You a damn bad diva like nicki minaj  
Ass caking out the sides girl I heard you was thick  
You shaking never faking you know that you in  
You dance real good now you making me hard  
Um like oops oh no dis shit you bout to start

Chorus: um like nooo you dancing to hard  
Got a nigga hard um like oh my gosh  
Yeah you on point time to take you home so you can let  
a nigga bone like...  
You shaking that ass girl you shaking that ass  
You shaking that ass girl you shaking that ass
