Step up  
Step up

Fall back, take a look at me and you'll see, I'm for real  
I'll feel what only I can feel and if that don't appeal to  
you let me know  
And I'll go 'cause I flow better when my colors show  
And that's the way it has to be honestly

'Cause creatively could never bloom in my room  
I'd throw it all away before I'd lie so don't call me with a  
compromise  
Hang up the phone, I got a backbone stronger than  
yours

La, la, la, la, la, la, la  
La, la, la, la, la, la, la  
La, la, la, la, la, la, la  
Yeah, yeah, yeah, yeah

If you're trying to turn me into someone else  
It's easy to see I'm not down with that  
I'm not nobody's fool

If you're trying to turn me into something else  
I've seen it enough and I'm over that  
I'm not nobody's fool

If you wanna bring me down  
Go ahead and try, go ahead and try

Don't know, you think you know me like yourself  
But I fear that you're only telling me what I wanna hear  
But do you give a damn? Understand that I can't not be  
what I am

I'm not the milk and cheerios in your spoon  
It's not a simple here we go not so soon  
I might've fallen for that when I was 14 and a little more  
green  
But it's amazing what a couple of years can mean

La, la, la, la, la, la, la  
La, la, la, la, la, la, la  
La, la, la, la, la, la, la  
Yeah, yeah, yeah

If you're trying to turn me into someone else  
It's easy to see I'm not down with that  
I'm not nobody's fool

If you're trying to turn me into something else  
I've seen it enough and I'm over that  
I'm not nobody's fool

If you wanna bring me down go ahead and try  
Go ahead and try

Go ahead and try, try to look me in the eye  
But you'll never see inside until you realize

Things are trying to settle down  
Just trying to figure out exactly what I'm about  
If it's with or without you, I don't need your doubt in me

If you're trying to turn me into someone else  
It's easy to see I'm not down with that  
I'm not nobody's fool

If you're trying to turn me into something else  
I've seen it enough and I'm over that  
I'm not nobody's fool

If you wanna bring me down  
Go ahead and try, try

Yeah yeah  
Yeah yeah  
Oh

Would you be laughing out loud  
If I play it to my own crowd?

Go ahead and try
