I am sick and tired of putting this shit on
Tired of getting laid
I'm sick and tired of being gone
I just wanna be paid (4 real)

I don't like what people do to me
If they mess with me, their gonna be sorry
I'm sick and tired of this shit
I just want them to quit (4 real)

Cause...

[Chorus]
I don't like them
They don't like me
So why can't we just get on with our lives (yeah)

They just wont listen
They see my glisten
It's like I'm made of steel
4 Real!

I don't want you to steal
1, 2, 3, 4
4 real!

[Verse 2]
You keep messing with me
I just can't see
You look so ugly
You sicken me

I hate you, you're so sick
U suck, and you're such a dick
I hated when we were in bed
I thought of someone else instead (haha)

Now You're on your knees, begging please, stay with
me
But honestly I just need to be a little crazy
Cause I'm sick and tired of
You!

[Chorus]
I don't like them
They don't like me
So why can't we just get on with our lives (yeah)

They just wont listen
They see my glisten
It's like I'm made of steal
4 Real!

I don't want you to steal
1, 2, 3, 4
4 real!

[Bridge]
I'm sick and tired of you a
And what you do
You're such a dick
You are a dick

And I remember when we had sex
It was so good to you
But not to me
4 real!

You are a dick (4 real)
You are a pussy (4 real)
You suck dick (4 real)
I hate you, you're full of shit!

Yeah yeah yeah
4 real

[Chorus]
I don't like them
They don't like me
So why can't we just get on with our lives (yeah)

They just wont listen
They see my glisten
It's like I'm made of steal
4 Real!

I don't want you to steal
1, 2, 3, 4
4 real!
