

Avril Lavigne "About Time"

You like keeping me waiting every night
You liked being the one who always starts the fight
And Iâ€™m always the one who tried to make things
alright

If so, so, so is how you wanna go
Then go leave if thatâ€™s what you wanna do
I wonâ€™t stop you, Iâ€™ll be through with you
It was about time you decided to leave
The love I once used to have for you had already left
Long, long, long time ago

Secrets you keep and you try to black mail
Saying if I donâ€™t do what you want youâ€™ll send an
email
I canâ€™t play youâ€™re little manipulating game again
and again
Donâ€™t you see that all you do is try to hurt me

If so, so, so is how you wanna go
Then go leave if thatâ€™s what you wanna do
I wonâ€™t stop you, Iâ€™ll be through with you
It was about time you decided to leave
The love I once used to have for you had already left
Long, long, long time ago

I kept pretending and wondering
If there was ever gonna be an ending

If so, so, so is how you wanna go
Then go leave if thatâ€™s what you wanna do
I wonâ€™t stop you, Iâ€™ll be through with you
It was about time you decided to leave
The love I once used to have for you had already left
Long, long, long time ago

If so, so, so is how you wanna go
Then go leave if thatâ€™s what you wanna do
I wonâ€™t stop you, Iâ€™ll be through with you
It was about time you decided to leave
The love I once used to have for you had already left
Long, long, long time ago

Whoa, whoa, whoa, whoa
Whoa, whoa, whoa, whoa
