Hmm, hmm, hmm
Hmm, hmm, hmm

Sometimes I get so weird
I even freak myself out
I laugh myself to sleep it's my lullaby

Sometimes I drive so fast
Just to feel the danger
I want to scream it makes me feel alive

Is it enough to love?
Is it enough to breathe?
Somebody rip my heart out
And leave me here to bleed
Is it enough to die?
Somebody save my life
I'd rather be anything but ordinary please

To walk within the lines
Would make my life so borin'
I want to know that I have been
To the extreme
(I feel)
So knock me off my feet
(I feel)
Come on now give it to me
(Ohh)
Anything to make me feel alive

Is it enough to love?
Is it enough to breathe?
Somebody rip my heart out
And leave me here to bleed
Is it enough to die?
Somebody save my life
I'd rather be anything but ordinary please

I'd rather be anything but ordinary please

Let down your defenses
Use no common sense

If you look, you will see
That this world is a beautiful, accident
(La, la, la, la)
Turbulent, succulent, opulent
Permanent, no way
(La, la, la, la)
I wanna taste it
Don't wanna waste it away yeah, yeah

Sometimes I get so weird
I even freak myself out
I laugh myself to sleep it's my lullaby

Is it enough?
Is it enough?
Is it enough to breathe?
Somebody rip my heart out
(Somebody)
And leave me here to bleed
Is it enough to die?
Somebody save my life
I'd rather be anything but ordinary please

Is it enough?
Is it enough to die?
Somebody save my life
I'd rather be anything but ordinary please, ohh
I'd rather be anything but ordinary please
