Life's like this, that's the way it is  
'Cause life's like this, that's the way it is

Chill out, whatcha yellin' for? Lay back it's all been done  
before  
And if you could only let it be, you will see  
I like you the way you are when we're drivin' in your car  
And you're talkin' to me one on one but you've become

Somebody else round everyone else  
You're watchin' your back like you can't relax  
You're tryin' to be cool, you look like a fool to me

Tell me, why you have to go and make things so  
complicated?  
I see the way you're actin' like you're somebody else  
Gets me frustrated, life's like this you and you fall and  
you crawl  
And you break and you take what you get and you turn  
it into honesty  
And promise me I'm never gonna find you fake it, no,  
no, no

You come over unannounced, dressed up like you're  
somethin' else  
Where you are and where it's at you see, you're makin'  
me  
Laugh out when you strike your pose, take off all your  
preppy clothes  
You know you're not foolin' anyone when you've  
become

Somebody else round everyone else  
You're watchin' your back like you can't relax  
You're tryin' to be cool, you look like a fool to me

Tell me, why you have to go and make things so  
complicated?  
I see the way you're actin' like you're somebody else  
Gets me frustrated, life's like this you and you fall and

And promise me I'm never gonna find you fake it, no,  
no, no
