Please go away,
leave me alone.
To you I have nothing to say,
my voice has no tone.

I'd rather be there,
because you're here.
Whatever, I don't care,
because of you there was a tear.

No one cares about me,
no one needs me.
But don't you see,
I do whatever you do to me.
Do you hate me,
'cause I know I hate you.
That's why I want you to stay away from me,
You weren't the only one that I knew.

Don't try to touch my feelings.
Don't try to see what's on my mind.
'cause the last thing I'd do is let you
back in my life. I despise you...
