Dolphins Are u
Dolphins Are Me
Dolphins Are everyone that includes you and me
They love swimming with people like you and me

Dolphins live in the ocean
Dolphins live in the sea
Dolphins live in nice clear blue sea
They are accompanied by a lot of sea animals
We love them
you love them
I love them
who doesn't like them

give me a D
give me a O
give me a L
give me a P
give me a H
give me a I
give me a N
then put it all together & what does it spell
