Every time you go away
it actually kinda makes my day
everytime you leave you slam the door
you pick your words so carefully
you hate to think your hurting me
you leave me laughing on the floor coz

I dont give it up, I dont give a damn
what u say bout that
you know i dont give it up, i dont give a damn
what u say bout that
you know im not gonna cry
bout some stupid guy, a guy who thinks he's all that

I thought we were just hangin out
so why did ya kiss me on the mouth
you thought the way you taste would get me high
you went to all your friends to brag
guys are always such a drag
dont u know the reason that i kissed you was to say
goodbye

coz I dont give it up i dont give a damn
wot you say bout that
you know i dont give it up i dont give a damn
wot u say bout that
you know im not gonna cry, bout some stupid guy
a guy who thinks he's all that

hangin, hangin out,
i am simply hangin, hangin out
i am simply hangin
so why did ya kiss me on the mouth
dont you know that i

i dont give a damn about you
i wont give it up now for you
im not gonna cry bot some stupid guy
a guy who thinks he's all that

i dont give it up, i dont give a damn

wot do u say bout that
you know i dont give it up, i dont give a damn
wot u say bout that

i dont give a damn, i dont give a damn
wot do u say bout that
you know i dont give a damn, i dont give a damn
what do u say bout that.
