Today was the worst day,
I went through heak.
I wish I could remove it from my mind.
Two months away from you, but I couldn't tell.
I thought that everything was gonna be just fine.

Postcard that you wrote,
with that stupid little note,
something wasn't quite write about it.
Smelled like cheap perfume,
and it didn't smell like you.
There is no way you can get around it.

[chorus]

Because you wrote,
I wish you were her.
You left out the "E".
You left without me.

And now you're somewhere out there with that
Bitch, slut, psycho babe.
I hate you, why are guys so lame?
Everything I gave you,
I want everything back but you.

[end of chorus]

My friends tried to tell me all along,
that you weren't the right one for me.
My friends tried to tell me to be strong,
I bet'cha didn't think that I would see.

Postcard that you wrote,
with that stupid little note,
something wasn't quite right about it.
I wanna see you cry,
like I did a thousand times.
Now you're losing me,
you're losing me now.

[chorus]

Because you wrote,
I wish you were her.
You left out the "E".

You left without me.

And now you're somewhere out there with that
Bitch, slut, psycho babe.
I hate you why are guys so lame?
Everything I gave you,
I want everything back but you.

[end of chorus]

Postcard that you wrote,

[end of chorus]

(I wish you were her,)
(You left out the "E".)
(You left without me.)

Everything back but you!

(I wish you were her,)
(You left out the "E".)
(You left without me.)

Everything back but you!
