ooh ooh ooh
your so good to me baby baby
ooh ooh ooh
i wanna lock you up in my closet
when no ones around
i wanna put your hand in my pocket
because your allowed
i wanna drive you into the corner
and kiss you without a sound
i wanna stay this way forever
i'll say it loud
now your in
cant get out
you make me so hot
make me wanna try
your so ridicules
i can barely stop
i can hardly breath
you make me wanna scream
your so fabulous
your so good to me baby, baby
your so good to me baby, baby
i can make you feel all better
just take it in
and i can show you all the places
you've never been
and i can make you say everything
that you've never said
and i will let you do anything
again and again
now your in
cant get out
you make me so hot
you make me wanna try

your so ridicules
i can barely stop
i can hardly breath
you make me wanna scream
your so fabulous
your so good to me baby, baby
your so good to me baby, baby

kiss me gently
always i know
hold me love me
dont ever go
ooh ooh oooh yeah!
you make me so hot
you make me wanna try
your so ridicules
i can barely stop
i can hardly breath
you make me wanna scream
your so fabulous
your so good to me
you make me so hot
you make me wanna try
your so ridicules
i can barely stop
i can hardly breath
you make me wanna scream
your so fabulous
your so good to me baby, baby
your so good to me baby, baby
your so good
