I looked away
Then I look back at you
You try to say
The things that you can't undo
If I had my way
I'd never get over you
Today's the day
I pray that we make it through

Make it through the fall
Make it through it all

[Chorus:]
And I don't wanna fall to pieces
I just want to sit and stare at you
I don't want to talk about it
And I don't want a conversation
I just want to cry in front of you
I don't want to talk about it
Cuz I'm in love with you

You're the only one,
I'd be with till the end
When I come undone
You bring me back again

Back under the stars
Back into your arms

[Chorus:]
And I don't wanna fall to pieces
I just want to sit and stare at you
I don't want to talk about it
And I don't want a conversation
I just want to cry in front of you
I don't want to talk about it
Cuz I'm in love with you

Wanna know who you are
Wanna know where to start
I wanna know what this means

Wanna know how you feel
Wanna know what is real
I wanna know everything, everything

[Chorus:]

And I don't wanna fall to pieces
I just want to sit and stare at you
I don't want to talk about it
And I don't want a conversation
I just want to cry in front of you
I don't want to talk about it

[Chorus:]

And I don't wanna fall to pieces
I just want to sit and stare at you
I don't want to talk about it
And I don't want a conversation
I just want to cry in front of you
I don't want to talk about it
Cuz I'm in love with you

I'm in love with you
Cuz I'm in love with you
I'm in love with you
I'm in love with you
