"Get What I Want"

Every now and then we all want something
Even if there's no way of getting it
If I stomp my feet quick that may be
Be my way around it
Could I get myself around it?

CHORUS

Get me what I want,
Everything I don't got
So give me what I want
Cause I'm a big shot
Hey, hey, hey, hey
Hey, hey, hey, hey

Don't wanna always have to be so nice
Don't wanna hear you say, "Well that's just life"
I'll join you out when I open my mouth
And make my way around it
I always make my way around it

CHORUS

Get me what I want,
Everything I don't got
So give me what I want
Cause I'm a big shot

So give me what I want
I always get what I want
You don't want to see me when
I don't get what I want
That's not what you want

I'm not about to take no for an answer, no
If I tell you again I'm still gonna go
I did it all by myself and I found
I found my way around it

CHORUS

Get me what I want,
Everything I don't got
So give me what I want

Cause I'm a big shot

So give me what I want
I always get what I want
You don't want to see me when
I don't get what I want
That's not what you want

It's not too lovely
It can start to get ugly
It really bugs me
If I don't get my way

So give me what I want
I always get what I want
You don't want to see me when
I don't get what I want
That's not what you want

So give me what I want
I always get what I want
You don't want to see me when
I don't get what I want
That's not what you want
I don't get what I want
That's not what you want
