Everytime you go away
It actually kinda makes my day
Everytime you leave
You slam the door

You pick your words so carefully
You hate to think you're hurting me
You leave me laughing on the floor

'Cause I don't give it up
I don't give a damn
What you say about that
You know, I don't give it up
I don't give a damn
What you say about that
You know I'm not gonna cry
About some stupid guy
A guy who thinks he's all that

I thought we were just hanging out
So why'd you kiss me on the mouth?
You thought the way you taste would get me high
You went to all your friends to brag
Guys are always such a drag
Don't ya know the reason that
I kissed you was to say goodbye

Cause I don't give it up
I don't give a damn
What you say about that
You know I don't give it up

I don't give a damn
What you say about that
You know I'm not gonna cry
About some stupid guy
A guy who thinks he's all that

Hangin', Hangin' out
I am simply
Hangin', Hangin' out
I am simply

Hangin', So why'd ya kiss me on the mouth?
Don't ya know that Iâ...
I don't give a damn about you
I wont give it up now for you
I don't give a damn about you
I wont give it up now for you
I'm not gonna cry
About some stupid guy
A guy who thinks he's all that

Cause I don't give it up
I don't give a damn
What you say about that
You know I don't give it up
I don't give a damn
What you say about that

I don't give it up
I don't give a damn
What you say about that
You know I don't give it up
I don't give a damn
What you say about that
