Of all the things I've believed in  
I just want to get it over with  
Tears form behind my eyes  
But I do not cry  
Counting the days that pass me by

I've been searching deep down in my soul  
Words that I'm hearing are starting to get old  
It feels like I'm starting all over again  
The last three years were just pretend  
And I said

Goodbye to you  
Goodbye to everything I thought I knew  
You were the one I loved  
The one thing that I tried to hold on to

I still get lost in your eyes  
And it seems that I can't live a day without you  
Closing my eyes and you chase my facts away  
To a place where I am blinded by the light  
But it's not right

Goodbye to you  
Goodbye to everything I thought I knew  
You were the one I loved The one thing that I tried to  
hold on to

And it hurts to want everything and nothing at the same  
time  
I want what's yours and I want what's mine  
I want you  
But I'm not giving in this time

Goodbye to you  
Goodbye to everything I thought I knew  
You were the one I loved  
The one thing that I tried to hold on to

The one thing that I tried to hold on to...

Goodbye to you

Goodbye to everything I thought I knew  
You were the one I loved  
The one thing that I tried to hold on to

And when the stars fall  
I will lie awake  
You're my shooting star
