We sat by the fire
United in song
Under the moonlight
All night long

We sang 'Hallelujah'
For the joy of it all

And out on the water
A caroling loon
Sings us a sweet
Heavenly tune

There's peace in God's forest
The temple of life

Hallelujah
Hallelujah
We looked to the sky
Deep into heaven's eyes
Hallelujah

And back in the city
I'm losing control
I need a place
To ease my soul

There's peace in God's temple

The temple of life

Hallelujah
Hallelujah
We looked to the sky
Deep into heaven's eyes
Hallelujah

Hallelujah
Hallelujah
We looked to the sky
Deep into heaven's eyes
Hallelujah

Hallelujah
Hallelujah
We looked to the sky
Deep into heaven's eyes
Hallelujah

Thank you Jesus
We praise your name
Thank you Lord
Hallelujah

Hallelujah
Hallelujah
We looked to the sky
Deep into heaven's eyes
Hallelujah
