

Avril Lavigne "I Always Get What I Whant"

Visit "[I Always Get What I Whant](#)" on MotoLyrics.com

Every now and then we all want something
Even if there's no way of gettin' it
If I stomp my feet could that make me
Be the way around it, could I get myself around it?

Get me what I want
Everything that I got
So get me what I want
Cause I'm a big shot

Don't wanna always have to be so nice
Don't wanna hear you say well that's just life
I dry you out when I open my mouth
I make my way around it, I always make my way around
it

Get me what I want
Everything I don't got
Get me what I want
Cause I'm a big shot

So give me what I want
I always get what I want
You don't want to see me when
I don't get what I want
That's not what you want

I'm not about to take no for an answer
No, if I tell you I cant I'm still gonna go
I did it all by myself and I found
I found my way around it

Get me what I want
Everything I don't got
Get me what I want
Cause I'm a big shot
So give me what I want
I always get what I want
You don't want to see me when
I don't get what I want
That's not what you want

It's not too lovely
It could start to get ugly
It really bugs me
If I don't get my way

Get me what I want
Everything I don't got
Get me what I want
Cause I'm a big shot
So give me what I want
I always get what I want
You don't want to see me when
I don't get what I want
It's not what you want
I don't get what I want
It's not what you want
