I CAN DO BETTER

I couldn't give a damn what you say to me

I don't really care what you think of me

Cause either way you're gonna think what you believe

There's nothing you could say that would hurt me.

Im better off without you anyway

I thought it would be hard but im ok

I don't need you if you're gonna be that way

Cause with me it's all or nothing.

Im sick of this shit

Don't deny

You're a waste of time

Im sick of this shit

Don't ask why.

[chorus]

I hate you now

So go away from me

You're gone

So long

I can do better

I can do better

Hey

Hey you

I found myself again

That's why

Your gone

I can do better

I can do better

[/chorus]

You're so full of shit

I can't stand the way you act

I just can't comprehend

I don't think that you can handle it

Im way over

Over it.

I will drink as much limoncello as i can

And I'll do it again and again and

I don't really care what you have to say

Cause you know - you know you're nothing.

Im so sick

Im sick of your shit

Don't deny

You're a waste of time
Im sick of your shit
Don't ask why.
[chorus]
What'd you say?
I told you so
You know that
Cause i always know
Get outta my face
Hey hey
You're not my taste
Hey hey
I am so
Sick of you
You're on my nerves
I want to puke
Get out of my face
Hey hey
You're not my taste
Hey hey
Hey hey
Hey hey
[chorus x2]
