I'm the one I'm the one who knows the dance
I'm the one I'm the one who's got the prance
I'm the one I'm the one who wears the pants
I wear the pants

I'm the one who tells you what to do
You're the one, you're the one if I let you
I'm the one I'm the one who wears the pants
I wear the pants

Hey you, follow me
I'll take the lead, can't you see?
Don't you question me
You just do what I say

I don't care what you're saying
I don't care what you're thinking
I don't care about anything
Get ready, get ready 'cause I'm happenin'

I don't care what you're saying
I don't care what you're thinking
I don't care about anything
Get ready, get ready 'cause I'm on the scene

I don't have to try
To make you realize
Anything I wanna do, anything I'm gonna do

Anything I wanna do, I do
And I don't have to try

Don't you disagree
'Cause you know it's all about me
Be at my beck and call
I'ma know it all and it's all your fault

I don't care what you're saying
I don't care what you're thinking
I don't care about anything
Get ready, get ready 'cause I'm happenin'

I don't care what you're saying
I don't care what you're thinking
I don't care about anything
Get ready, get ready 'cause I'm on the scene

I don't have to try
To make you realize
Anything I wanna do, anything I'm gonna do
Anything I wanna do, I do
And I don't have to try

Try

I don't have to try
To make you realize
Anything I wanna do, anything I'm gonna do
Anything I wanna do, I do
And I don't have to try
